

ROTARY INTERNATIONAL
Linwood Broussard

Governor, District 6200
2011-2012

August 22, 2011

Club Presidents of District 6200,

At the upcoming District Conference in Lafayette (April 19-21, 2012) I will have the opportunity to recognize a District 6200 Rotarian who best exemplifies the ideals of Rotary and who demonstrates extraordinary service. I would like to ask for your help to pick the perfect candidate for this honor. Each club is entitled to nominate one Rotarian for this recognition.

Our District awards the ***Governor's Cup Award*** to honor that Rotarian in our District who has made an outstanding contribution to your club, your community, our District, our country, and the world. The award is given not for the ordinary service every Rotarian gives, but for truly exemplary Rotary service.

Attached you will find a copy of the announcement and nomination form for the ***2011-2012 Governor's Cup***. Please note the deadline of **March 20, 2012** for returning your Club's nominee to our District General Secretary Karin Viator, 2266 S. College Road Ext., Suite C, Lafayette, LA 70508.

I encourage you to review the eligibility, **Criteria and Guidelines for the Governor's Cup**. After visiting each of your clubs earlier in this Rotary year, I am sure there is a Rotarian in each of your Rotary clubs who you, as President of your Club, would be honored to nominate.

While no Rotarian gives service just for the recognition, everyone enjoys being recognized for a job especially well done. Please don't file this information away and say "I'll get to that later". Don't deprive that outstanding Rotarian in your club of the recognition they so richly deserve. Fill in the form and send it in.

Yours in Rotary,

Linwood Broussard
