TO:  
District 6200 Conference  
Attn: Scott Lavergne Registrar  
P.O. Box 52504  
Lafayette, LA 70505

The free registration is an investment by District 6200. The priority investment is with new Rotarians. Because of the success of past district conferences, District 6200 is able to offer complementary registration to new members and established Rotarians to attend the 2012 District Conference. We find those who participate in district events such as assemblies and conferences have a better sense of the impact of Rotary, and are more involved or active in club and district projects. They become Rotarians not just members of the Rotary Club. By attending the conference you will receive education, fellowship, and develop friendships outside of your club that will last a lifetime.
